

RPG (Red) by Red Tsai x Horret Wu

RPG is strong and visual card magic. It's fast and has a huge impact on your audience. A spectator freely chooses a card. It's signed and lost back into the deck. The performer uses a common object (e.g., ring or coin) to "explode" the deck and reveal the selection in a dramatic way!

- No thread
- No electronic device
- No forcing
- No complicated routine or difficult moves

Everything you need is included with back-up materials!

30-minute in-depth tutorial.

2 extra bonus effects.
