Card College (Blue) Playing Cards by Robert Giobbi and TCC Presents - Pokerdeck

Card College Playing Cards are manufactured and marketed with the full approval and support of Roberto Giobbi

Roberto Giobbi is the author of Card College, a five-volume work considered worldwide as the standard text on sleight-of-hand card magic. He is fluent in six major languages and performs internationally for private and corporate functions. In the magic community he is highly acclaimed as performer, lecturer and author of best-selling books.

He is member of the Escuela Magica de Madrid, magic's only Think Tank. Several international awards in magic round off his profile. More importantly, he's a gentleman and all-around nice guy.

Card College, Roberto Giobbi's acclaimed course on sleight-of-hand card magic, has received the highest praise from amateur and professional magicians alike, throughout the world. In 2020 the five-volume set, containing over 1'500 richly illustrated pages, has been voted the most important and influential magic book in history by the members of the *Magischer Zirkel von Deutschland*, Europe's largest magic organization.
