

Deck Shelf - Wood

Both magician and cardist always have many playing cards on our table: practice decks, gimmick decks, collection decks and more. But the table is in chaos!

Deck Shelf Wood will keep your decks in order (20).

Its semi-enclosed design allows you to locate your playing cards easily. You can remove the decks of cards more conveniently because of the cabinet's scientific dimension design!

- Made of wood, the item measures cm 29 (11,41") x 17,8 (7") x 10 (3,93").
