

## **Nadel durch Zunge - Spike Through Tongue - Zaubertrick**

The performer pushes a solid steel spike through his tongue. After the spike has penetrated, the tongue is displayed with the spike going through it in a most convincing manner. Finally the spike is removed, and the tongue is seen totally unharmed, with no holes, or blood.

- A classic that always has a great impact..
- The needle is 31.5 cm long (5,31") and has a diameter of 3 mm (0,04").
