

## **G4 by Bond Lee & MS Magic - Billardkugeln produzieren - Manipulationsbälle**

A great finale for your billiard ball routine. Visual and practical.

The **G4** was first introduced in one of our tutorial DVDs, *Reborn*. Since then, we have received numerous inquiries and now it is available!

This prop was inspired by the Flash 4 gimmick, which was a convenient method to produce 4 billiard balls instantly without an excessive amount of practice.

Now we have improved this gimmick:

- No more bulging
- Does not stick to fabrics
- Extremely strong and durable, the frame is made with metal
- Very secure and provides an easy steal

Contents and specifications:

- **G4** gimmick x 2 (one for each hand)
- Each ball is 1.7" wide
