

Skymember Presents **PULLED EXTREME (Red)** by Alan Rorrison

This is **Pulled Extreme**.

Created by the brilliant mind of **Alan Rorrison**, well known for the popular effect "**Smoke**" and his consultancy work for **Dynamo** and **Troy**.

This trick is profoundly mind-blowing; you restore a torn tab from a can in an incredibly visual way!

Don't just take our word for it; watch the trailer.

Super easy to do so that you can focus on your presentation.

Anyone can perform it AND **perform surrounded!**

Once you receive your beautiful, custom-made package, with ONLY 3 minutes for a one-time set up, you are ready to go with any drink can of your choice. We promise that the method and the simplicity of the trick will WOW you.

Performed and explained in a crystal clear manner by Francis Ang, a professional magician from Singapore.

Grab your favorite drink and perform **Pulled Extreme**. Get yours now worldwide.

"This looks very much like a jump cut in real life! Simple visual eye candy"
- **Kevin Li** (1st Ft. magician on @Instagram)

*"Alan did it again! **Pulled Extreme** is visual, organic and extremely stunning!"*
- **Hanson Chien** (Creator and producer of Roller Coaster and T-1000)
