

Roller Coaster by Hanson Chien - ERSATZ für COKE - (UNGIMMICKED)

Roller Coaster was a revolutionary change to the coin through glass routine.

You can use an UNGIMMICKED glass AND coin with **Roller Coaster by Hanson Chien**.

Although the surface of the coaster is made by Tyvek®, which keeps it stronger and waterproof; over time your gimmicked coaster may need to be replaced.

Fortunately, now REFILLS are available in all variations (Heineken, Coke, Budweiser and Pattern).

Refill for Roller Coaster include 4 non- gimmicked ,regular coasters.

NOTE: Instructions and gimmicked coaster are included only in the full product.
