

UNOrthodox (Gimmicks and Online Instructions) by Antonio Martinez

Antonio Martinez has taken one of the world's strongest effects and made it even stronger.

The Ultra Mental deck is used by almost every magician and mentalist around the world. Now imagine how powerful it would be to prove that not only is their card the only card face down in the deck, but it's actually the only card in the deck!

UNOrthodox is a sure-fire winner and perfect for close-up or parlor and will even work on stage!

UNOrthodox is a custom manufactured deck which is colorful, interesting and relatable.

May be performed with either a comedy presentation or a serious mentalism approach.

You will absolutely love **UNOrthodox** and so will your audience.
