

Pringles Go (Red to Green) by Taiwan Ben and Julio Montoro - Trick

An ORDINARY and POPULAR snack the whole world is familiar with - potato chips!

PRINGLES GO is a visually stunning color change using a normal can of chips.

Imagine taking a red can of chips and VISUALLY changing it to green!! Get two and perform transportation effects...

A fantastic, natural piece of eye-candy that is hyper-visual and easy to perform. In the blink of an eye, two cans exchange their positions.

- Easy to learn and perform
- Super-fast color change
- Quick reset
- Self-contained gimmick

What you get:

- 1 instructional online tutorial card
-
- 1 gimmick package (red or green option)

** Please note that red and green are sold separately.
