

Wooden Duck Transference by Tora Magic

Produced and designed by Tora Magic Company

Show an empty bucket and an empty box. Place a pet into one of the objects. Then show that the pet has vanished from that object and now magically appears in the other!

To add the sparkle of your show, this is beautifully designed with the smooth touch of natural leather along with specially selected, handcrafted wood.

Used for the appearance and transposition of a pet such as a duck and similar sized pets...

Win the hearts of your audience by transferring the pet from the bucket to the cage and vice versa... This elegant piece from our unequalled new collection has left audiences stunned!
