

## **The Raccoon - 100% Synthetic Fur - Spring Animal**

A real magic classic evergreen. This special little animal has a spring inside it that will allow you to move as if it was a live animal.

A great number of effects and gags can be performed with "The Raccoon"!

Our version has been FINALLY made with realistic fur, but 100% SYNTHETIC... so no animal was hurt to make this great raccoon!

- It is about cm 50 (19,7") long, including the queue.
- Supplied with detailed instructions that explain how to give him life.

NOTE: In the video the effect is shown, but the actual item you will receive is shown in the photo.
