

## **Six Outs Mini (Gimmicks and Online Instructions) by Blake Vogt**

Now you can have six outs folded up inside your wallet at all times. This all-new version is made out of tear-proof and waterproof tyvek. It is 8.5 x 5.5 inches when it is open and 2.75 x 4.25 inches folded up. You can easily open to any one of the six outs with the exact same handling every time.

Included with your purchase is one handmade gimmick and a download video where Blake takes you through step-by-step how to handle your **Six Outs Mini** gimmick. He also explains, in detail, multiple thought-out and audience-tested routines. In addition, you will learn an all-new routine where the spectator can freely place 3 objects in 3 locations and you guess the outcome EVERY time!

Ask your spectators any questions having 1 in 6 outcomes and watch their minds explode when you are correct EVERY single time... with **Six Outs Mini**.
