

Nirvana Playing Cards

Nirvana Playing Cards are not only combines the elements of fire, but also looks like a Chinese style, but with an abstract expressionist design. The back of the card is a pair of rotationally symmetrical fire phoenixes, meaning the cycle is timeless.

Designed by Tao Yoking, printed in Taiwan by Hanson Chien Production Co.

What is Nirvana?

Nirvana is perfect stillness. It's a Sanskrit word and the ultimate spiritual goal in Buddhism. Freedom from suffering and the cycle of rebirth. Therefore, Nirvana is bliss, a state of perfect happiness and peace.
