

Innercircle by Yigal Mesika

Infinite Levitation Possibilities. Levitate Anywhere!

"This is cool, instant, powerful magic! Anywhere, anytime right in your wallet!" - Cyril

"Innercircle is the most elegant and practical solution to the problem of carrying and setting Loops. I'm sure magicians will love it. I know I do." - Luis de Matos

"Yigal Mesika's Loops made miracles possible. Now, the Innercircle makes those miracles possible ANYWHERE, at ANY TIME. It's a no-brainer." - Justin Willman

For the first time ever, three groundbreaking items in one package:

- Animated Miracles.
- Loops®
- The Innercircle Card.

This combination is the ultimate utility to announce the art of levitations and animations.

You will receive:

1. The patented Innercircle Card, the official carrying case for the most astonishing and versatile tool in magic, Loops! This custom-made carrying case was specially engineered to look like a credit card making it extremely convenient to slip right into your wallet, not only protecting your Loops, but also making them easily accessible. You can rest assured knowing that the Loops in your Innercircle Card are 100% protected from any amount of force or direct pressure.
2. One pack of Loops®: one of the most practical and versatile inventions in the history of magic. Loops are used by masters like David Blaine, Cyril and Criss Angel to create simple but powerful miracles.
3. The groundbreaking guide (in English) to Loops, Animated Miracles, now revised and fully converted into the digital format via internet. Detailed explanations and illustrated diagrams make all of the effects easy to learn.

Learn 10 unforgettable effects that are easy to master, as well as full presentations, tips, and subtleties (English instructions).
