

## Comedy Ice Pick - Eispickel - Scherz

The comedy ice pick can be used at any time in your act. It will add a good laugh. By making an imaginary hole in your assistants head using ice pick... pour milk into the imaginary hole (using a milk glass, for example) and reproduce the milk from anywhere you want from your assistants elbow, ears, nose, using a comedy funnel (or another item).

- The elegant ice pick has a wooden handle, it is 22 cm long. Can be examined both before and after your performance.
