

Jump by Jordan Victoria - Kartentrick

Imagine a freely named card that is instantly ejected from the deck. This is one of the multiple possibilities using the JUMP gimmick.

With this gimmick, you will be able to make a signed card JUMP from the deck or a freely named card, eject a freely named number of cards...

This gimmick can be hidden in the deck without any problem to perform your favorite routines. Just activate it when needed!

Learn 3 routines using JUMP inside of the video (in English).
