Money to Card - Geldschein zu Spielkarte - Zaubertrick

A card is selected and put back in the deck. The magician bets 5 Euro that he will immediately find it! After trying without success various times, he reluctantly takes out a 5 Euro note out of his pocket, but before handing it to the spectator, to everybodies surprise, changes the note into the selected cards! Strong visual magic!

- Easy to do.
- The special card supplied is made with original Bicycle.
- The card may have a different value from the one in the video and in the photo. It is not possible to select the value.
