

Magic Moving Images Book - Bewegende Bilder - Optische Illusion

A fantastic and fascinating book... full of "visual magic"!

Each page represents an object or an animal and using a special plastic sheet supplied, it will be possible to see the drawings come to life: a flying helicopter, an elephant running, a sailing boat, etc.

- You could play with this book for hours without getting tired.
- The book measures cm 18 x 11 (7.08" x 4,33") and contains 32 animated optical illusions.
- Fantastic also as a gift idea for someone's birthday , child or adult, fond of magic, drawing or simply curious objects, not trivial and certainly out of the ordinary!
