

Avengers Thor - Pokerdeck

Thor's popularity increases with each passing day. His character card commemorates and celebrates the bright Thor. We used a black-and-white image as well as color-sensitive evergreen in our illustrations of Thor.

The "A" card utilizes Thor as the main character, while the other cards have increased the deck's value for collectors -- they include the Avenger characters appearing together.

- 52 basic cards + 2 Jokers
- Printed in Taiwan
