

Pandemic Playing Cards by Mapez - Pandemie - Pokerdeck

Let's all contribute fighting covid19... also through a deck of cards!

The pandemic has touched all of us in many ways. Here is a deck of playing cards designed by Mauro Pezzola - Mapez - with great cartoon style illustrations on the theme of the pandemic

Part of the sales this deck is donated to Emergency ONG Onlus for their continued help to the community during the pandemic.

An ICONIC deck to collect!

- The deck is poker format.
- Printed in the USA.
- Crushed Stock and Air Cushion finish.
- Traditional cut.
- One special card included, great for magicians, and three Jokers. These Jokers allow a couple of magical effects, as well as the case!
