

Spider Pen X by Yigal Mesika

The most practical, highest-performing motorized reel ever created!. As the leading pioneer in levitation technology, nobody knows this field better than the motorized reel maestro himself: Yigal Mesika. Imagine yourself performing jaw-dropping, eye-popping levitations and drawing gasps of astonishment from your audiences. Redesigned and engineered from the ground up to be the most practical, reliable motorized reel on the planet, Spider Pen X is the final masterpiece in Mesika's legendary Spider Pen series.

"It's hard to imagine so much efficient ingenuity in such a small space. Mesika's Spider Pen X is absolute perfection. And it produces absolute miracles."

- Jim Steinmeyer

"Your handlings on The Floating Bill are the best I've seen - they look like real live Hollywood special effects!"

- John Kennedy

"Yigal Mesika has done it again. The Spider Pen X will prove a boon to the art of levitation. Always ready. Always under your control. It's positively supernatural."

- Luis De Matos

No one can teach you the ins and outs of thread-based wonders better than Yigal

Mesika, the renowned creator of the Spider Pen-X. This is your exclusive opportunity to grab a front-row seat and witness Yigal share his most closely guarded secrets, personal routines, and expert tips – all of which will take your magic to the next level and beyond. With your Spider Pen X, you'll create an instantaneous atmosphere of mystery and perform truly unforgettable miracles!

Effects Include:

• Zero Gravity Bill:

Make a borrowed bill levitate from the ground straight up into to your waiting hands

• Walking Bill:

Animate a crumpled bill and cause it to mysteriously travel across your arms

• Floating Straw:

Float a borrowed straw in between your empty hands

• Balancing Bills:

Borrow two bills and balance one on top of the other in an impossible way

• Re-Leaf:

Pluck a leaf from a tree and magically make the leaf travel in mid-air back to the tree with a gentle blow

Features:

- Extremely easy to learn and master
 - No reset time – instantly repeat any effect
 - Perform completely surrounded with no assistants whatsoever
 - Now walk up to 40 feet away from any object you choose to levitate
 - Change the micro IT spool in a flash – it's as easy as 1-2-3
 - Use the Spider Pen X as a fully functional, "everyday" writing pen
 - An exchangeable pen clip and cap for more discrete appearance
 - Refillable metal ink cartridge
-
- Superior quality from one of the most highly respected brands in magic
 - The only magic device on the market with three patents

Here's your chance to get your hands on Yigal Mesika's revolutionary spider Pen X. You'll create miracles on the fly.
