

BERMUDA (BLUE) by Nicholas Lawrence - Abgerissene Kartenecke verschwindet und erscheint - Zaubertrick

We've all seen and probably perform the classic pre-torn corner vanish... Well, it just got a serious upgrade!

Tear off a small corner of a playing card and cleanly display it then make it vanish in the convincing way possible! Visually or with Cover, it looks totally impossible...

Your audience doesn't just imagine it like previous methods, they actually see the corner vanish!

Everything that disappears needs to appear somewhere... how about inside a sealed sugar packet!? Or under someone's watch.. inside of their hand or even frozen inside a solid cube of ice!
