

Money Printer - Big - Gelddruckmaschine - Zaubertrick

Take a small sheet of paper and put it between rollers of the printer. Activate it by turning the side wheel and the sheet, little by little, will visibly turn into a real banknote!

You will leave the spectators speechless!

- Very easy to use.
- Works with any kind of banknote.
- Perfect for any type of exhibition.
- It is made of wood and measures 15.8 cm (6,22") x 16.8 (6,61") x 7 (2,75").
