

Toxic Smiley by Marcos Cruz - Verwandlung Emoticons - Social Media - Zaubertrick

TOXIC SMILE renews your CD routine that changes color with emoticon figures, a renewed version for your social networks and online show.

The magician presents 3 WhatsApp icons on both sides, then magically emoticons begin to appear first of a happy face, the magician repeats and a loving face emoticon appears and finally a smiley face with glasses appears, then places the emoticons in front of his face and Surprisingly the glasses travel to the face of the magician, the emoticon is surprised and without glasses.

- The game comes ready to use.
- Easy to do
- Visual and magical
- Online instructions.
