

Instant T by The French Twins & Magic Dream - Rot - Karte zu Teebeutel

Out of stock for more than 2 years, **Instant T** is back! More resistant, easier to use and still incredibly visual.

From the creators of the best seller Blaze, Les French Twins are back with their new creation, **Instant T**. An incredibly visual and unexpected transformation of a card into a tea bag. But there's more! With **Instant T**, not only can you transform a card into a tea bag, but you can also make anything appear within the totally closed and observable bag -- for example, a thought-of card or any object fastened to the end of the thread (such as a map, a ring, a capsule, a signed card, a ticket, a prediction, etc).

A gimmick of devilish ingenuity, the result of many months of work for Tony & Jordan in order to make the trick as simple as possible, and do the incredible visual effects and varied routines.

With your purchase, you will learn ten different routines using **Instant T**, and will soon be amazing your spectators with this light-hearted, funny and weirdly amazing effect.

Points to note:

- Stronger gimmick, will last a long time
