

## **Gemini Casino Turquoise by Gemini - Pokerdeck**

Gemini is a fictional casino deck inspired by treasured classics like Dunes Casino and Jerry's Nugget Casino playing cards. Gemini was made to look like a vintage deck you might find in an old Las Vegas warehouse from the '70s. Now available in beautiful green turquoise color.

- Limited edition of 2750 decks with gold foil seals
- Crushed stock, standard faces
- Gold metallic ink used on backs and tuck box
- Made in USA by The United States Playing Card Company
