

NOTHING GEN 3 SMOKE DEVICE by Bond Lee - Raucherzeuger Gimmick

In 2019, we created the world smallest smoke device "Nothing 2.0" and it instantly became the most popular smoke device that year. After 2 years of hard work, the next generation of our compact smoke device is finally ready, we are pleasure to introduce you - **Nothing GEN3**.

The compact size does not limit the power of **Nothing GEN3**, we have upgraded the coil and the fan, maximizing the smoke output. Now you will have enough smoke for all situation.

Nothing GEN main device's size is 3.4 x 2.6 x 1.7cm

The compact size of **Nothing Gen3** allows you to create the miracle of smoke when- and wherever you want.

The perfect smoke device for your performance.

A Special formula of smoke oil provides a dense, thick and harmless smoke.

We added a brand new interchangeable direction nozzle system, affording directional control of the smoke. Quality upgraded case and battery, providing a long lasting life span for the device.

We provide all the accessories needed, so it can be used immediately.

Come and experience the magic of smoke.

Here is the **Nothing Gen3**.
