

Erscheinender Stock aus Metall - Regenbogen - Appearing Cane Steel

A classic of magic in a Rainbow version!

Show some silks (or ribbons) and, in the blink of an eye, turn them into an elegant cane!

Or simply make the cane appear from thin air for an unforgettable production!

- The cane is silver colour, and made of shiny steel.
- No maintenance of the cane is required.
- The spring is powerful for an instant appearance.
- Silk is not included but can be purchased separately.
- Professional: when closed, it's dimensions are very small.
- Great quality at an unbeatable price.
