

Costume Bag by Bazar De Magia - Clown - Tasche zu Kostüm

A small bag is displayed to the audience. The magician shows the bag is empty, even turning it inside out and allowing a member of the audience to feel the inside.

A silk is dropped into the bag and a child from the audience is asked to wave his hand over the bag making the handkerchief vanish.

Try as he might, the child just can't make the silk disappear... but he does end up making the silk change into a clown hat! In a flash, the whole bag is then changed into a clown suit to match which fits your helper perfectly!
