

Magic Coloring Book (3 way) by Murphy's Magic

MMS is proud to present the most popular effect in children's magic...

The Magic Coloring Book!

A coloring book is shown to the audience have all blank pages..

The magician (that's you) asks the kids in the audience to point at the coloring book and say the magic words.. You then show there is a different drawing on each and every page

However, the drawing are not colored in..

Finally, you ask the kiddies to call out there favorite colors! you open the book once again and ALL of the drawing have now magically been colored in.

It's like REAL magic!

What sets this coloring book apart from others?

The paper is a produced from a high-quality, thick, no bleed stock. The cover is coated in UV for a long-lasting, professional look.
