

Magic Coloring Book (4 way) by Murphy's Magic

MMS is proud to present the most popular effect in children's magic IMPROVED!...

The Magic Coloring Book Deluxe!

A coloring book is shown to have all blank pages..

The magician (that's you) asks the kids in the audience to point at the coloring book and say the magic words. You then show there is a different drawing on each and every page

However, the drawing are not colored in.

Next, you ask the kiddies to call out there favorite colors! you open the book once again and ALL of the drawing have now magically been colored in BUT they are just scribbles! Oh NO!

Finally, you ask for all of the kids to say the magic word and ALL of the colors have now changed into perfect colored pictures!!

It's like REAL magic!

What sets this coloring book apart from others?

The Deluxe version contains a special **4-Way Book!!**

The paper is a produced from a high-quality, thick, no bleed stock. The cover is coated in UV for a long-lasting, professional look.
