

Volt-Face by Sonny Boom - Spielkarte zu Bankomatkarte - Zaubertrick

Giving your business card can be a complicate moment. So why not create a magical moment around the business card.

With VOLTE-FACE you present a last effect that not only will blow your audiences minds, but at the same time bring out your business card.

A playing card is shown both sides, and by pushing it through the deck of cards, it changes magically into your business card.

The perfect closer for your close-up performance. Ideal for table-hopping, cocktail parties and even street performances.

Some additional ideas with credit cards are also explained using this versatile gimmick.

- Easy to do.
- Detailed instructions on the handling provided.
- Complete constructed gimmick provided.

Needed Material for performance:

Bicycle Playing Cards.

Business cards.

English and French online tutorial with detailed instructions.
