

## Ambulance - Rettungswagen - Pokerdeck

Each six decks ordered will be supplied within a special half brick box, fantastic for any collector!

The Ambulance Playing Cards pays tribute to all the front-line workers and hospital staff all around the world. The Ambulance Playing Cards takes the look of an ambulance throughout the tuck case, and can you guess who awaits you in the tuck case? That's right, all the doctors and nurses and hospital staff ready to patch you up!

The back design features blue metallic ink with symbols that represent a hospital. Every single card in the deck is filled with doctors and nurses with different operations; from Monitoring X-Rays, working with surgical tools, to offering large pills and needles.

The Ambulance Playing Cards are Limited to 2500 Decks. Designed by Andris Sarapovs. Manufactured by the United States Playing Card Company with their Premium Bee Stock.
