

Silver Chinese Coins Set by Lion Miracle - Silver Brass Transformation

The magic of the silver brass transformation is a classic in the history of coin magic. The magic master David Roth has brought this effect to the extreme, not only increasing the duration of the routine, but also enhancing the entertainment and appreciation.

From the mind of Jimmy Fan, the structure of silver coin and Ancient Chinese coin are different, the design and production of the product become more difficult. After many attempts and adjustments, we redesigned the performance method and routine which is more suitable.

This coin set includes two ordinary coins, two special coins, a special shell and online video instruction.
