

N5 RED Coin Set by N2G - Chinesische Münze verwandelt sich - Münztrick

In 2014, we released N3 and N4, sold more than 3500 units, during that time, the coin magic circle around the world were talking about these two coin props.

Today, 7 years later, we have a newly upgraded coin prop **N5**.

N5 is the latest generation of N-Series coin magic props. It is upgraded based on the original effects of N3, N4, making a black Chinese coin with a real hole in the hand instantly change color without any unnecessary movement and turn into a silver Morgan.

N5 is made of high-quality replica Morgan and Chinese coins. The whole set of props includes a **N5** gimmick coin, a common replica Morgan, a common Chinese coin, magnets and wooden wand.

N5 is most likely the most visual effect in the N-Series coin props, will be available worldwide! What are you waiting for? Hurry up!
