

RUBIKS WALL Complete Set by Bond Lee (Two Part Item) - Bühnenillusion mit Rubiks Würfel

Introducing **Rubik's Wall**, the ultimate finale for your Rubik's cube magic routine. Created by Bond Lee, D.K. Wong & Happy, produced by MS Magic.

If you are into Rubik's cube magic, this is for you!

The magic routine is simple, spectator choose any cube they like, they can shuffle the cube as much as they want. They think of a sign, character or image, then place back the cube back to any position they want, to create a complete random pattern, and when you turn the wall around, it will become the perfect prediction of the sign/character/image!

All cubes can be shuffled and examined before, during and after the routine. The fool proof design can amaze your audience with a impossible, clean and mind blowing finale. Perfect for professional performance, commercial events and TV shows.

No sleight of hand, no magnet, no black stuff, no difficult handling, just shuffle the cube place it back and it's done! If you are just starting to do magic, you can do it too!

Structure Design

The whole structure can easily assembled and travel friendly. This allow performers carry the Rubik's wall all over the world, and you can even place the whole set inside your backpack, truly pack small play big!

The specially designed structure can connect multiple sets of Rubik's wall to create a big prediction. You will be able to place 24 cubes in one Rubik's wall, if you combine 4 Rubik's wall will be be able to place 96 cubes and create a beautiful picture!

Features

Rubik's Wall set comes with multiple presets, detailed instruction and wall stand. The whole set is protected by a beautiful and durable ABS case.

Rubik's Wall can be perform as a stand alone magic or combine into your Rubik's magic routine.
