

DROPPING WAND by Mago Rigel & Twister Magic - Scherz Zauberstab

An amazing new gag created by magician Rigel from Mexico, a magic wand is handed to a kid and when he holds it, in a quick and graceful manner the magic wand wilts but at the same time becomes super long, dropping all the way down.

An ideal gag for children's magic, comedy, clowns and much more.

You receive everything you need to play with this gag right away!
