

WAKEN by Bond Lee, Hawin & MS Magic - Kartensteiger und Haunted Deck mit Fernbedienung

What is real magic? It might look something like this.

The true power of haunted deck

An extremely visual magic piece

Imagine finding your spectator's signed card with the power of shadow

Or using Psychokinesis to raise their card from the deck

Multi-card haunted effects and rising cards are all possible

The deck is self-contained, and can be performed completely isolated

Multiple applications and routines create endless possibilities

The power of a super human, are you ready to **Waken**
