

BLUFFF (Trick or Treat) by Juan Pablo Magic - Buchstaben-Chaos zu Text - Seidentuchverwandlung - Halloweentrick

Imagine that you have a handkerchief and shows on both sides that it has many mixed letters printed that have a secret message and when blowing on the handkerchief mysteriously the letters are arranged and form the phrase: "Trick or Treat"!

Now you blow again on the handkerchief and in an instant candy magically appear from the handkerchief!!!!

This trick is ideal to present a magical moment during the Halloween season!!!!

BLUFFF (Trick or Treat) is very easy to do, it is super visual, and resets in an instant.
