

Smart Cube Deluxe - Reihenfolge der Würfel verändern - Kubusspiel

The Performer shows two coulombs of dice with the numbers 1 through 6 on them standing on the table. In one of the coulombs "A" the numbers of sequence is from top to bottom where as in the second coulomb "B" of cubes the numbers are exactly in the opposite sequence. The magician covers the coulomb "B" with a long square opaque tube. When withdrawn it is seen that the numbers of both coulombs are in same sequence.

Strong visual magic!

- The item is made with care with elegant glossy plastic.
- Very easy to do, it can be seen even at a distance, and is great for any kind of audience.
- The cubes measure cm 7 (2,75") on each side. The tube is cm 43 (16,92") high and measures cm 8,5 (3,34") on each side.
