

Erscheinende Torte - Production Birthday Cake - Mini - Zaubertrick

Here is a great item to enrich your performances during birthday parties. Call up the birthday boy, show an empty pan, close it, pronounce the magic words, and when you reopen it a colorful birthday cake will have made its appearance!

- The cake is made of sponge that can be compressed. Once it expands it looks like a real cake.
- We supply just the special cake. It is cm 20 (7,87") tall and has a diameter of about cm 8 (3,15").
