

Flipper Cookie by Taiwan Ben - Keks Zaubertrick

"Ben's Flipper Cookie is great! It allows you to perform a visual magic with the ordinary cookies!"

- **Jeki Yoo**

"This prop used in casual situations is very unexpected and hard hitting, I love this."

- **Nicholas Lawrence**

"Real magic comes from reality. He is the best person who understands reality. His magic is always full of novelty."

- **Charming Choi**

"A tasty balance of being visual and organic!"

- **Kevin Li**

Almost 70 years ago, Magicians Eddy Taytelbaum and Flip Postma came together to work on an idea which would ultimately TAKE THE WORLD OF MAGIC BY STORM - The Flipper Coin. Decades later, which countless Magicians coming up with their own version of this INCREDIBLY VERSATILE GIMMICK, we are proud to present our very own version of the Flipper Coin - **Flipper Cookie!**

Modeled after The Best Selling Cookie in the world - OREO, **Flipper Cookie** is the MOST ORGANIC way to perform the coin trick. Leaving no stones unturned, Flipper Oreo was carefully crafted with EVERY DETAIL of the real cookie.

If you have held/seen/used a flipper coin before, you will know how VERSATILE and USEFUL such a gimmick is!

- CLEANLY Vanish a cookie!
- Make a cookie DISAPPEAR and APPEAR SOMEWHERE ELSE!
- VISUALLY PENETRATE a cookie through the table!

And so much more! The only limit is your imagination!

Great for walk-around, Close-up, television, social media and more!

Now you can take one of the best coin effects and turn it into an organic miracle!!
