

## **Christmas Exchange (Close Up) by Luis Zavaleta & Nox - Zaubertrick für Weihnachten**

From the mind of this two Peruvian magicians comes this magic routine that will become one of your favorites for this Christmas!

The kids and also the adults will enjoy this Holiday magic routine. Add a nice piece of thermalized magic to your Christmas CLOSE UP shows.

### **Effect:**

The magician shows two characters (Santa and Snowman) Then the spectator choose one of them.

Immediately, the magician shows the character and puts the character inside the spectator's hand.

After that, the magician takes the other character, shows it and make it transform in a blink of an eye.

Then, when the spectator opens his (or her) hands, realizes that the character changed.

### **About the trick:**

- The magic also happens in the spectator's hands
- You can perform it immediately
- This is the perfect trick for your Christmas shows!
- This trick is so easy to do
- Easy to reset (less than 10 seconds)
- Well-made with good quality materials
- The drawings and designs has proven quality and were made with great care in the details
- They can inspect one by one at the end of the trick!

### **You'll receive a box with this inside:**

The characters (Santa & Snowman) separated with bubble wrappers
