NEW! 30% LARGER THAN OUR POPULAR ORIGINAL, WITH A CLASSIER NICKEL WIRE COIL.

By request from so many pros, we've just super-sized our #1 selling KoD lined memo pad into a 30% larger GRANDE edition (6x4") that allows larger writing and increased visibility from any angle. Ideal for TV, Zoom or stage - this BIGGER GRANDE SvenPad® still fits snugly in your back or jacket pocket! Carry this with your best suit or in your jeans back pocket. The front cover also sports a new innocent design that as always looks boring and will fly under all radar. As with the original, the top pages are This might be the most perfect KoD SvenPad® ever!

As seen on the JIMMY KIMMEL SHOW! The SvenPad® KØD represents a quantum leap in the world renowned SvenPad® lineup with the world's FIRST spiral binding SvenPad.®

The SvenPad® KoD pads are the "pick of the litter" - the finest and most deceptive SvenPads® EVER created. Behold the innocent little memo pad you've known since childhood, but reborn as an incredible SvenPad®. Built from scratch, from the ground up, with SPIRAL nickel plated binding which (oh so innocently) hides the forcing secrets within.

Open the pad 180 degrees and the top seam seems to be held by the spiral binding - yet it is not.

NO hype. NO exaggerations. NO expense has been spared in creating this ultimate SvenPad®. This is the best and easiest handling SvenPad® of the entire lineup - you will FEEL the difference immediately.

SvenPad® KØD took months of painstaking development to create the world's first "Spira-Glu" binding, combining our custom printed LINED PAPER (heavier) with a double glazed center spine - hole punched - collated to precision - then cosmetically spiral bound for a perfect "illusion" of an ordinary memo pad.

You won't believe it when you hold it as you cannot see the center glue holding everything perfectly! Crazy.

As used religiously by Oz Pearlman and many of the world's top mystery performers!

The SvenPad® looks like an ordinary spiral memo pad from your favorite office supply store, but beneath its innocent exterior discover one of the world's most powerful forcing utility devices.

With your SvenPad® in hand, you can create hundreds of effects in ANY language. This is the cleanest way to force ANY piece of information (or more) that you choose. It is simple, deceptive and hands-free! There is NEVER any heat on your pad!

You casually show all the pages of a notepad to be different (words, drawings, celebrities, destinations, foods, phone numbers, etc). Then, you hand the SvenPad® to a spectator to secretly peek at just one item. Somehow, the performer INSTANTLY knows exactly what she is thinking. Focus on your effect - not your methods.

The SvenPad® removes any risky or impractical methods and allows you to focus on your presentation, safe in the knowledge that the method WILL NEVER let you down.

The SvenPad® is easy to carry yet plays big, no matter what the environment is. The multitude of effects that are possible make it a must-have accessory for any magician and mentalist.

The quality of the SvenPad® is exceptional. All the short edges are insanely precision trimmed to less than 1/45 inch!

Each pad is then hand inspected and tested before shipment to insure perfection and exact tolerances.

To the naked eye, the difference in page sizes is imperceptible and is supplied blank so that you can customize it however you like.

Each package comes with full instructions and a phenomenal custom SvenPad® routine by the late Master Mentalist Bob Cassidy. You also get mentalist Michael Murray's incredible SvenPads® PDF of cool new ideas!

Your force will be forgotten, but your performance long remembered.
Guaranteed.
