- **Jeff Kaylor**

*"This is Brilliant!"*

- **Peter Turner**

**10,000 combinations, 1 outcome and you are right every. single. time.**

**Zero restrictions, zero limitations, endless possibilities.**

**3 years in the making.**

Designed and brought to life by Master Locksmith and magician James Kellogg Jr., **Sure Lock** is the mentalists dream with endless possibilities. Whether you are performing for HUGE audiences or 1 on 1, this is the ultimate mentalism tool. Not only will it amaze your audiences as a stand alone piece of magic, but if you have a padlock routine already, this will make it even better. With the purchase of **Sure Lock** you will see a few simpler routines that you can watch and perform instantly, but I am sure you are already aware; this lock's purpose does not stop there. **Sure Lock** is instantly repeatable and the numbers never need to be the same.

Adapting **Sure Lock** to your performance is a breeze. Imagine locking your prediction inside a box on stage and not only being able to now prove the prediction inside the box matches, but you can now have a spectator guess the right combination to unlock the prediction! Or, let's think extremely outside the box and say, use multiple locks to perform a unique version of the 3 card monte. Place your bet on the lock that will unlock with a specific combination and control

---

whether or not they choose the right lock! As you can see this is not just the perfect gimmicked padlock, this is the perfect utility gimmick.

- With every full charge you get up to 3 1/2 hours of continuous use
- 3 features of triggering the lock include; Remotely instant unlock, remotely 15 second time delay, RFID card instant unlock
