
CARAT XMC Metal Card Display

The **Carat XMC Metal Card Display** was designed to display metal cards that are the size of a poker card (6.4cm x 8.8cm or 2.5in x 3.5in) or less and with a thickness of 1.0cm or less. The metal card displayed is the Black Requiem card from Stockholm 17, but other metal cards from Riffle Shuffle, Steve Minty, the Gentleman Wake and Wondercraft, to name a few, fit as well.

The case is made of 5 and 10mm acrylic and its internal dimension measures 88mm x 64mm x 10mm. The edges and corners are sanded and buffed for a comfortable feel and the lid is secured on via 4 neodymium magnet pairs for a strong hold but easy access.

Carat Card Cases by Carat Case Creations are the preferred playing card storage and display cases of discriminating collectors, designers and playing card manufacturers. Carat Case Creations has worked with many of the top designers and companies to create custom cases, including; Butterfly Playing Cards, Cartamundi, Chris Ovdienko, Elemental Playing Cards, Expert Playing Card Co, Kings Wild Project, Lee Asher, Midnight Playing Cards, Mint Playing Cards, Murphy's Magic, Rick Davison, Stockholm 17, Thirdway Industries, Tru-Card, Vanda Playing Cards and more.

HIGHLIGHTS

- Clear archival quality acrylic for unobstructed views from all sides and safe storage of valuable decks
- Buffed edges and corners for an elegant look and feel
- 4 neodymium magnet pairs to keep the back panel strongly attached while allowing for easy access to insert/remove decks
