## Chameleon Crayons by Chazpro

Chameleon Crayons! Both Stage and Closeup all together!! A Chazpro and Santa Magic Production

Includes both Stage and Closeup versions!

Bring out the box of crayons with the six different colors. State that as a child, it was always a tragedy when your favorite color ran out. This, however, isn't a problem for a magician. Since everyone probably has a different favorite color, offer to have one randomly selected. cover the crayons with a silk. Remove the silk to show that all the crayons have changed to the selected color! Super easy!
