
Elite Night Flight (Gaff) by Steve Dela - Pokerdeck

NOTE: No instructions are supplied with this deck... as they say... "limited only by your imagination"

Here is a list of all the cards included! As you can see, there are plenty of special cards to make up many well known effects... These include various monte effects, B'Wave style routines, prediction cards, novelty cards, double backers, double facers, blank faced, mis indexed...etc. LOADS of possibilities.

Now is the time to get creative or update those effects that you already do! All faces are the super modern, bold & original Night Flight design to match your **Night Flight Elite Decks.**
