
The Elder Deck: The Magician's Tool for Rune Reading by Phill Smith

Welcome to the **Elder Deck**, a stunning deck of playing cards designed to unlock a realm of mystery and wonder. Whether you're a magician, mystery entertainer, or a collector of exquisite decks, this is a project that will ignite your imagination and elevate your performances to new heights. Developed by John Watson, the **Elder Deck** is a full toolkit to help magicians and mystery worker learn and integrate runes into their performances.

Unique Features

The **Elder Deck** is not your ordinary deck of cards. It seamlessly blends the world of traditional playing cards with the ancient art of rune reading. Here's what sets it apart:

- **Dual Purpose:** The Elder Deck serves a dual purpose. It functions as a fully functional deck of playing cards, perfect for any card game or magic routine. At the same time, its intricate rune designs allow you to delve into the mystical realm of divination and offer compelling readings to your audience.
- **Exquisite Design:** Crafted with utmost attention to detail, each card in The Elder Deck features mesmerizing rune symbols combined with classic playing card elements. The result is a deck that not only captivates the eye but also sparks curiosity and intrigue.
- **Marked for Mystery:** Unlock a world of hidden secrets and illusions with The Elder Deck's clever marking system. Every card bears discreet markings, revealing both its face value and corresponding rune symbol. This opens up a multitude of possibilities for mind-boggling magic tricks and effects tailored specifically for this deck.
- **Empower Your Performance:** Whether you're a magician or mystery entertainer, The Elder Deck offers you an exciting opportunity to add a new dimension to your act. Discover how seamlessly integrating rune readings into your performances can captivate and astonish your audience. We'll provide you with comprehensive instructions on both rune readings and a range of original magic effects designed exclusively for The Elder Deck
