
CTC (Half Dollar) by N2G

A traditional classic magic that has been elevated to unprecedented heights due to its exquisite craftsmanship. Welcome to the **CTC** produced by N2G.

Visually pass the cigarette through the center of a coin. Then immediately show the coins to the audience for inspection.

This classic coin magic prop has never been so exquisite. Under the exquisite craftsmanship of N2G, prop coins can be quickly viewed and played by the audience. This makes your performance more free and relaxed.

The props include exquisite special coins, regular coins, and accessories for your performance, as well as a complete video explanation.

Buy now and experience the changes brought by craftsmanship to magic!
